

PIMPLES

"I tried all kinds of blood remedies which failed to do me any good but I have found the right thing at last. My face was full of pimples and blackheads. After taking Cascarets they all left. I am recommending this use of them and recommending them to my friends. I feel fine when I rise in the morning. Hope to have a chance to recommend Cascarets."

WORTH CONSIDERATION

When buying from a jewelry store wouldn't you consider it very important to feel there is absolutely no question about quality? When you buy here you don't pay any more, perhaps less, than in an indifferent store, but you are certain about quality. That point alone is more important in choosing Diamonds, Jewelry, Watches and Silverware than any other merchandise. : : : : :
